

# First Time

There's nothing like  
That feeling of  
Getting up for the first  
Time and riding  
All the way in

I am not  
Claiming to be some  
Blondie surfer  
Chick who spends  
Whole summers riding  
Waves

I have not  
Lost brain cells becoming  
Malibu Barbie with surf  
Instructor suntan  
Ken

I am just learning  
The ways of the  
Waves and proud  
Of it as it is  
Something rare and a new  
Form of beauty

But there's still  
Nothing like  
That feeling of  
Getting up and  
Riding  
All the way in
